9 poses of subparagraph (A), an appropriate  
10 code provided by the system that indicates  
11 a final confirmation of such identity and  
12 work eligibility of the individual.

13 “(ii) TENTATIVE NONCONFIRMA-  
14 TION.—

15 “(I) IN GENERAL.—If the person  
16 or other entity receives a tentative

21 shall—

22 “(aa) inform the individual  
23 for whom the verification is  
24 sought of such nonconfirmation;

1           “(bb) if the individual does  
2 not contest the nonconfirmation

23 firmation.

24           “(III) NOT GROUNDS FOR TER-  
25 MINATION.—An employer may not

1 terminate the employment of an indi-  
2 vidual because of a failure of the indi-  
3 vidual to have his or her identity and  
4 work eligibility confirmed under this  
5 section until the nonconfirmation be-  
6 comes final. Nothing in this subclause  
7 may be construed to apply to a termi-

16 firmed under this section until the  
17 nonconfirmation becomes final. Noth-  
18 ing in this subclause may be con-

2           on the form an appropriate code that is  
3           provided under the system and that indi-  
4           cates a confirmation or nonconfirmation of  
5           identity and work eligibility of the indi-  
6           vidual.

7           “(iv) EXTENSION.—If a person or  
8           other entity in good faith attempts to make  
9           an inquiry during the time period specified  
10          and the verification system has registered  
11          that not all inquiries were received during  
12          such time, the person or entity may make  
13          an inquiry in the first 5 subsequent busi-  
14          ness days in which the verification system  
15          registers that it has received all inquiries.  
16          If the verification system cannot receive in-  
17          quiries at all times during a day, the per-  
18          son or entity merely has to assert that the  
19          entity attempted to make the inquiry on  
20          that day for the previous sentence to apply  
21          to such an inquiry, and does not have to  
22          provide any additional proof concerning  
23          such inquiry.

24          “(v) TERMINATION UPON FINAL NON-  
25          CONFIRMATION.—Not later than 3 busi-

1           ness days after receiving a final noncon-  
2           firmation regarding an individual, the per-  
3           son or entity shall terminate the employ-  
4           ment of the individual (or decline to recruit  
5           or refer the individual).

15                          an offer of employment is extended  
16                          and ending on the date that is 3 busi-  
17                          ness days after the date of hire, ex-  
18                          cept as provided in clause (iii). The  
19                          offer of employment may be condi-  
20                          tioned in accordance with clause (ii).

21                          “(ii) JOB OFFER MAY BE CONDI-  
22                          TIONAL.—A person or other entity may  
23                          offer a prospective employee an employ-  
24                          ment position that is conditioned on final  
25                          verification of the identity and employment

1 eligibility of the employee using the proce-  
2 dures established under this paragraph.

3 “(iii) CONTACT INFORMATION.—A  
4 person or other entity, upon making an  
5 offer of employment to a prospective em-  
6 ployee under clause (ii), shall submit to E-  
7 Verify the contact information of the pro-  
8 spective employee, including an email ad-  
9 dress or a telephone number, so that E-  
10 Verify can notify the prospective employee  
11 in the case of a tentative nonconfirmation.
